Bike lanes and off-street parking at the thirteen parish churches

Lanes of the City of Montréal's network today, by kind; church outline in black; parking lots mapped in OpenStreetMap shaded.
Notre-Dame-de-Grâce and Saint Augustine of Canterbury filed the same address (one church, panel 8). Each panel is 400 m square.

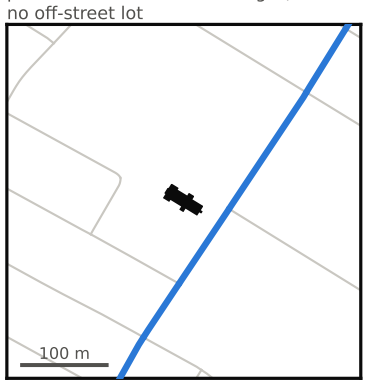

- Lane protected all year
- Painted, shared or designated lane
- Church
- Other parish churches
- Parking lot (OpenStreetMap)

The area (dashed: municipal and borough limits); numbers as in the panels
